\$1.98 prescriptions are up to a 30-day supply of a covered generic drug at a commonly prescribed dosage. Your participation in certain prescription drug coverage plans may entitle you to pay even less than \$1.98 for certain prescriptions. If you are eligible you will be charged the lowest applicable amount. Prescription drug savings are available to you whether or not you have any prescription drug coverage through your company, under Medicare or any other plan. Not all prescription drugs are covered by this program and the list of drugs is subject to change. Offer void where prohibited by law. See your Marc's pharmacist for more information. Marc's reserves the right to discontinue or modify this program at any time.
