This list is not intended to be a recommendation for a particular prescription drug nor a substitute for a discussion with your physician. If you have any questions, you should contact your physician about the proper prescription medication for you.

**...and many more still available for \$3.99 & \$9.99**

**\$1.98 prescriptions are up to a 30-day supply of a covered generic drug at a commonly prescribed dosage. Your participation in certain prescription drug coverage plans may entitle you to pay even less than \$1.98 for certain prescriptions. If you are eligible you will be charged the lowest applicable amount. Prescription drug savings are available to you whether or not you have any prescription drug coverage through your company, under Medicare or any other plan. Not all prescription drugs are covered by this program and the list of drugs is subject to change. You can also visit [marcs.com](http://marcs.com) for the most current list. Offer void where prohibited by law. See your Marc's pharmacist for more information. Marc's reserves the right to discontinue or modify this program at any time.**
