### Grade K Supply List 2023-2024

Below is a list of supplies you will need to purchase for your child for the start of the school year. Please write your child's name on items with a (\*). Please put the following supplies in a large bag with your child's name on it, and bring it to the Kindergarten Orientation in August. Save the book bag so your child can bring it with him/her on the first day of school.

We will collect and store the supplies for the entire school year. That way you will only need to purchase supplies once and we will be able to replace your child's supplies quickly and efficiently, which is why the supply list is specific in brand. It will allow us to replace the pencils, crayons and glue easily. Thank you for your cooperation. We look forward to working with you and your child.

Sincerely, The Kindergarten Teachers
